

Biological Materials and Genetic Analysis Data Application Form

Date of Submission: _____

I. SUMMARY OF PROJECT:

Title of Proposed Project: _____

Purpose(s): _____

Name of Project Director: _____ Tel: _____ Email: _____

Mailing Address: _____

Institution/Company of Project Director _____

Name(s) of other Professional Participants: _____

Institution Company of each other participant: _____

Name of Framingham Investigators (if any): _____

II. REQUEST FOR BIOLOGICAL MATERIAL:

The genes, polymorphisms and/or mutations to be studied _____

The numbers of specimens requested and the relationships of the study participants (sib pairs, spouse pairs, parent offsprings, etc.): _____

The quantity of DNA or immortalized lymphocytes (if available) for each specimen requested to perform these studies: _____

III. REQUEST OF DATA:

a. Clinical Data requested (phenotype definitions, etc.): _____

b. Genetic Analysis Data requested (linkage analysis, LOD scores, etc.):

I. RECIPIENT ENTITY(IES):

Name and address of each Institution/Company whose investigators will receive access to requested:

(a) Biological Materials: _____

(b) Genetic Analysis Data: _____

and/or

(c) Clinical Data: _____

Name of Institution/Company responsible for paying specimen preparation/distribution fees: _____

Name and address of Institution/Company to which Biological Materials are to be shipped: _____

NOTE: Attach a brief Research Proposal to this form, which includes aims, statement of the significance of the study, the analysis plan, and power analysis to justify sample size, a separate description of work to be performed by Boston University collaborators, if any.

Return this form and include: (1) above mentioned Research Proposal; (2) Biographical Sketch; (3) IRB Approval and (4) any other supporting documentation to:

Ralph B. D'Agostino, Ph.D.
Boston University Mathematics Department
111 Cummington Street
Boston, MA 02215
Telephone: 617-353-2767
E-mail: ralph@bu.edu

NOTE: Submission dates are January 15, April 15, July 15 and October 15. Applicants will be notified of the decision of the DNA Committee and the Research Committee within one month of submissions date.

Upon approval, a Data and Materials Distribution Agreement (in the form attached) will be prepared and sent to the above-named Project Director. The Project Director will be responsible for obtaining signatures on behalf of the recipient Entities and returning the signed Data and

Materials Distribution Agreement to The Framingham Study before Requested Materials will be released.
